Final Inspection Checklist

- Property is empty of all personal items
- All windows are closed and locked
- All doors are closed and locked
- All lights are off
- All appliances are turned off
- Property is clean and ready for inspection
- Document property condition with photos

Bond Recovery Tips

- ✓ Professional Cleaning: Consider hiring professionals for best results. The cost is often less than losing bond money.
- ✓ Document Everything: Take photos/videos before, during, and after cleaning to prove condition.
- ✓ Check Your Lease: Review your lease agreement for specific cleaning requirements.

- ✓ Act Quickly: Clean as soon as possible after move-out for best results.
- ✓ Use Professional Products: Commercial-grade cleaners work better than household products.
